Work offered

During the internship, an intern will join a project team and learn how to create and execute digital marketing campaigns for our clients. There are 3 possible ways of development: project management, content marketing, and performance marketing. The Intern will have an opportunity to learn tools, theories, and methodology used in these fields. Every Friday our company organizes workshops for everyone. Additionally, interns have access to online courses and videos from other workshops. The main focus and drive of the company are being a congruent digital marketing strategy, with the right tools, used at the right time, for the right buyer persona.
