Of these, the annual plan 27 teachers and staff of the University were at different types of training, 2 teachers were on sabbatical leave, 1 teacher - in-training; out-of-plan 24 teachers had different types of training and 1 teacher - in-training; 100 teachers and staff members were in the scientific and educational missions.

STATE SCIENTIFIC-RESEARCH WORK OF STUDENTS

Organization of research work of students (RWS) is one of the important components of the training of highly qualified specialists. It instills in students the skills of independent theoretical and practical work, provides mastery of the methods of scientific research, i.e. lays the foundations of the scientific worldview.

In RTSU at each faculty there are student scientific associations, such as club "Young diplomat", scientific and creative Association "Young writer", circles "Caravan of culture", student center "Development of programs and design of information systems", etc.

INTERNATIONAL ACTIVITY

- ▶ International activities of RTSU are organized and coordinated by the Department of international relations and the Department for coordination of programs, projects and grants in education and science. The international Department contributes to the solution of such tasks as legal support of foreign students' education and their stay in the territory of the Republic of Tajikistan. The Department is constantly engaged in the preparation of documents for foreign students to obtain, extend visas in the Consular Department of the Ministry of Foreign Affairs and obtain registration in OVIR RT.

- ▶ **Today in the RTSU study:**

Azerbaijan – 4 students; Afghanistan – 4 students; Kazakhstan – 2 students; Kyrgyzstan – 1 student; China – 54 students ; Poland – 1 student ; Republic Of Korea – 9; RF – 121; USA – 1; Turkmenistan – 138; Uzbekistan – 60; Ukraine – 2.

Full-time: Total: 306 students

Part Time: Total: 91 students, on a budgetary basis – 42, on a contractual basis – 355

COOPERATION WITH INTERNATIONAL ORGANIZATIONS
